

WILMER RICARDO PACHON LOPEZ

New Wesminster, BC | +1(778) 686-3422 | wrpachonl@gmail.com | <https://github.com/wilo0510>

SUMMARY

Full-Stack Developer with expertise in building responsive web applications using React and Vue.js. Proficient in front-end and back-end development, end-to-end testing, and debugging to deliver efficient and scalable solutions. Experienced in optimizing performance, modernizing legacy code, and enhancing user satisfaction through UX-focused design. Adept at collaborating with cross-functional teams to align technical solutions with user and business needs.

KEY COMPETENCIES

Web Development	HTML, CSS, JavaScript, React, Vue.js, Rest API, end-to-end (e2e) testing, unit testing, and debugging
Design	User interface (UI) design principles, User experience (UX) best practices
Tools & Technologies	Github, data analysis tools for interactive media research, debugging tools, and performance optimization utilities

WORK EXPERIENCE

SOFTWARE DEVELOPER | MercadoLibre Colombia July 2021 - Sept 2024

MercadoLibre is the largest e-commerce and online marketplace platform in Latin America.

- Designed and developed responsive single-page applications using React, improving user experience across desktop and mobile platforms.
- Collaborated with cross-functional teams to optimize server performance, achieving a 50% reduction in response times.
- Modernized legacy codebases by implementing advanced caching strategies, significantly enhancing application efficiency and user interactions.

FULL STACK DEVELOPER | Conexred SAS Sept 2020 - July 2021

Conexred SAS is a Colombian fintech company offering electronic payments, mobile recharges, and financial inclusion solutions.

- Led UX improvements, enhancing user satisfaction by 30% through optimized design and functionality using Vue.js.
- Conducted code reviews, improving software reliability by 10% and ensuring platform consistency.
- Improved team collaboration by providing clear feedback during code reviews.
- Ensured alignment of design and development standards across multiple projects.

EDUCATION

UX/UI Design Co-op Diploma | Cornerstone College (Vancouver, Canada) Oct 2024- Present

Courses taken: Introduction to Design, Information Design, Interaction Design Method, Multi-Platform UI Design

Bachelor of Science in Computer Engineering | Universidad Distrital Francisco José de Caldas (Colombia)

June 2014 - Apr 2021
